Chairman Julius Genachowski  
Federal Communications Commission  
445 12th Street, SW  
Washington, D.C. 20554

May 26, 2011

To Whom It May Concern:

As the center for work and shopping in South Central Kentucky, as well as the home of Eastern Kentucky University, Richmond residents, students, and businesses alike settle in Madison County for our quality of life, great workforce, quality schools, and the promise of growth and prosperity. As a Chamber, we seek not only to advocate on behalf of the member businesses we serve, but more importantly to increase the quality of life for all. And access to faster wireless technology is key to our success.

All who live and work in Richmond rely on mobile broadband connectivity daily. Good mobile broadband coverage today stands to get even better once the AT&T-T-Mobile merger is approved.

On behalf of myself, President Grant, the ambassadors, the businesses we represent and the consumers they serve, the Richmond Chamber hopes you will consider the importance of faster mobile broadband to the people of Madison County and move quickly to review and approve the merger before the Commission in docket WT 11-65.

Respectfully,

A handwritten signature in black ink that reads "Mendi Goble".
